

City of Creedmoor  
Request for Construction Engineering Inspection (CEI) Qualifications Packets

The City of Creedmoor is soliciting qualifications packets from NCDOT pre-qualified firms to provide Construction Engineering Inspection (CEI) services for construction of 7,450 LF of sidewalk along Highway 56. Qualifications packets are due by 2PM April 9, 2012. Project contract will be awarded after Board approval following a successful selection process.

Requests for qualifications are available online at [www.cityofcreedmoor.org](http://www.cityofcreedmoor.org). Visit Creedmoor City Hall for additional information.

Local/small businesses, women-owned or minority-owned businesses are encouraged to submit proposals. The City of Creedmoor is an equal opportunity employer.
